

HOLIDAY BEACH MIGRATION OBSERVATORY

We're on the
Web: www.hbmo.org

HBMO, Holiday Beach Migration Observatory was founded in 1986 as a volunteer organization which promotes the study and protection of migrating birds at Holiday Beach Conservation Area in Ontario, Canada. Your membership supports our conservation, research and education programs. Members receive a newsletter in December, April and August about ongoing research and HBMO activities.

To become a member of HBMO send your cheque payable to Holiday Beach Migration Observatory to "HBMO Membership, Todd Pepper, 36 Cherrywood Avenue, Leamington, Ontario N8H 4Z9
